ACTION HISTORY OF RTI FIRST APPEAL No.SPAVW/A/E/25/00005

Applicant Name	A S R K Prasad

ACTION HISTORY OF RTI FIRST APPEAL No.SPAVW/A/E/26/00001

Applicant Name	Dr Prashanti Rao
Text of Appeal	I, Dr .Prasanthi Rao, hereby file this First Appeal under Section 19(1) of the Right to Information Act, 2005, being aggrieved by the unsatisfactory, incomplete, and evasive replies furnished by the Public Information Officer (PIO), SPA Vijayawada, in response to my RTI application Registration No.: SPAVW/R/E/25/00047 (Date of RTI Application: 28.11.2025 AND Date of Reply by PIO: 23.12.2025)The RTI queries relate to a highly sensitive and critical issue concerning faculty career progression, specifically the Departmental Promotion Committee (DPC) / upgradation process of Dr. Prashanti Rao, Assistant Professor, Department of Architecture, SPA Vijayawada.It is a matter of serious concern that confidential establishment information related to the DPC process, which was officially communicated to Dr. Prashanti Rao by the Registrar (Incharge) on 14.11.2025, appears to have been accessed or leaked to an unauthorized third party, namely Mr. G. V. Ramana Murthy, Contractor, who subsequently made complaints seeking to obstruct the DPC process.Such leakage, if true, directly undermines:Confidentiality of service recordsIntegrity of the DPC processInstitutional governance and transparencyLeak of Confidential DPC InformationInformation sought: Details regarding the passing/leakage of confidential DPC/upgradation information of Dr. Prashanti Rao to Mr. G. V. Ramana Murthy.PIOs Reply: There are no available records in the Registrars office regarding passing the information to Mr. G. Ramana Murthy.Grounds for Dissatisfaction: The reply is evasive and unsubstantiated. No effort has been made to explain how the contractor came into possession of confidential DPCrelated information. No internal verification, inquiry report, file noting, or email trail has been disclosed. Merely stating no records available does not discharge the statutory duty of the PIO under the RTI Act. Information regarding any interaction, correspondence, or RTI filed by the contractor relating to DPC matters has not been verified or disclosed. Work Orders / Purchase Orders Issued to Mr. G. V. Ramana Murthy (2012Till Date) PIOs Reply: A partial list of three works executed under SPA Vijayawada / BSNL has been provided. Grounds for Dissatisfaction: The information does not clearly specify the total number of work orders/purchase orders issued from 2012 till date. The reply fails to clearly distinguish between: Works directly awarded by SPA Vijayawada, and Works executed through BSNL on behalf of SPA Vijayawada. No certified statement of records confirming completeness has been provided. Action Taken Regarding Soil Filling Work and Withheld Payment (3.5 Lakhs) PIOs Reply: Reference made to C&AG audit objections and proposed recovery of 3,68,084/ through BSNL. Grounds for Dissatisfaction: The reply does not clearly state: Whether recovery has actually been affected or remains proposed any departmental action, penalty order, blacklisting, or warning was issued to the contractor.
Reply of Appeal	It has been observed that lot of official issues are going to the notice of the MoE, BoG and Hon’ble Chairperson officially and un-officially from the employees of SPA Vijayawada from time to time. The discretion committee felt that the institute has staff both regular and outsourced personnel and consequently, there exists a potential risk of data leakage through word-of-mouth communication during the handling and movement of files, particularly since the files are not labeled as ‘Confidential’ on their cover pages. The matter regarding payment to the contractor is under the jurisdiction of Hon’ble High Court as the matter is sub-judice and the enquiry is under process. Hence the information could not be provided at this moment.

As per the available information at SPA Vijayawada, the details with regard to RTI Appeal Reg No. SPAVW/A/E/26/00002 Dt:13.03.2026 filed against reply for RTI bearing Registration No. SPAVW/R/E/26/00008 Dt: 09.02.2026 is hereunder:

Q: As per Point No. 9 of RTI referenced above, I have requested to provide a copy of the Selection Committee recommendations under the Accelerated Promotion Benefit (APB) regarding the recent interviews held for promotions w.r.t notification dated 24.11.25. Instead of the that the BoG minutes and the Selection Committee recommendations for only one level i.e Level 11/AGP7000 to Level 12/AGP8000 is provided. This is incomplete and may be misleading to hide the factual information.

Reply: The Board of Governors, in its meeting held on 16.02.2026, approved the recommendations of the Selection Committee under the APB Scheme and resolved that the upgradations/promotions shall take effect from the date of approval of the Board.

The Selection Committee considered cases across various levels of upgradation. However, recommendations were materialized only for those candidates who fulfilled the prescribed eligibility conditions, including the required length of service in the relevant grade. Accordingly, records exist only for such levels where candidates were found eligible and recommended.

For other levels, no recommendations were materialized as the eligibility criteria, particularly the required service in the respective scale, were not met in view of the effective date of upgradation being the date of BoG approval.

The information available on record has already been furnished.
